FOREWORD

This supplement of the NMRA Periodical Index was prepared by the following committee:

Bill Courtney, Chairman	A. T. Riddle, Jr.	Joe Heumphreus
Don R. Davis	Robt. DuFresne	Herschel Cohen
Harold L. Olesen	H. P. Weaver	George Mellinger, M.D.

Articles appearing in these periodicals are listed and indexed herein. To aid readers, the publications are identified in this manner: Symbol—Name of publication, annual subscription price, publisher and address. (The prices shown are subect to change and not guaranteed correct).

A — NMRA BULLETIN, National Model Railroad Association, Inc., P. O. Box 1328, Station C, Canton, Ohio 44708. Issued to NMRA members only. Membership $5.00 per year.

C — Railroad Model Craftsman, $5.00, Model Craftsman Publishing Corp., Ramsey, New Jersey 07446.

CR — Canadian Rail, Canadian RR Historical Association, P.O. Box 22, Station B, Montreal, Quebec, Canada. 11 issues and Associate Membership $6.00 Annually.

FL — Finelines, 985 Campbell Ave., Los Altos, California 94022. $3.00 per year, 6 issues.

LS — Live Steam, P.O. Box 635, Cadillac, Michigan 49601. $5.50 per year, U.S. and Canada.

NN — Nonsuch Notebook, D. H. Fletcher, 24 Tyler's Acre Ave., Corstorphine Edinburgh EH12 FJE, 1 year 12/, 2 years. 21/. (USA and Canada, $3.00 for 2 years.) Published on or after even month.

OS — O Scale Railroading, Vane A. Jones Co., 4328 Fall Creek Parkway, Indianapolis, Indiana 46205. 12 issues per year.

R — Model Railroader, $7.00, Kalmbach Publishing Co., 1027 N. Seventh Street, Milwaukee, Wisconsin 53233.

RM — Railroad Magazine, $5.00, 205 E. 42nd Street, New York, N.Y. 10017.

SG — S. Gaugian, $2.00 per year (6 issues), S. Gaugian, P.O. Box 666, Tolono, Illinois 60130.

SH — S Gauge Herald, $2.50, 6 times a year, S Gauge Herald, Inc., P. O. Box 105, Oradell, New Jersey 07649.

SN — Slim Gauge News, P.O. Box 305, Aurora, Colorado 80010. 4 times a year, $2.00.

T — Trains, $7.00, Kalmbach Publishing Co., 1027 North Seventh Street, Milwaukee, Wisconsin 53233.

TH — Traction Heritage, Vane A. Jones Co., 6710 Hampton Dr. East, Indianapolis, Indiana, 46226. 6 issues, $10.00 per year.

TM — Traction and Models, Vane A. Jones, 6710 Hampton Drive East, Indianapolis, Indiana 46226.

The above and following abbreviations and symbols are used:

cd — Construction Details	mp — Model Photograph
cm — Construction Method	pp — Prototype Photograph
full cd, cm — Detailed Article	sd — Scale Drawing
dd — Detailed Drawing	tp — Tinplate
HO, O, NG, etc. — Scale or gauge	tr — Traction or Trolley
lp — Layout Plans	wd — Wiring Diagram

Articles are listed by this method, with month, year and page number of the magazine in which the article appeared. A typical item could read:

5.4 Railroad Service Structures

Brick Enginehouse, HO, cd, cm, sd, mp 155R 28

means that a railroad service structure, (brick enginehouse) plans are in HO scale, construction details and methods are provided, and includes a scale drawing and a photograph of the finished model. It would be found in a Model Railroader magazine for January, 1955, starting on page 28.

All items are grouped under a decimal classification system, see below. For convenience, an alphabetical topical listing has been prepared, showing the classification number under which an article on a given subject is to be found; this appears on Page 24B. The following pages contain the list of subjects of the articles, arranged in accordance with the decimal classificat'on system.

If any errors, omissions or corrections are noted, it is earnestly desired by the abstracting committee that these be sent directly to the committee so that they may be corrected in a future edition.

The 1971 Index Chairman is: Wm. Courtney
575 Ronda Dr., Santa Barbara, Ca. 93105

1970 Supplements are available at 25c each. Order from the NMRA Office Manager, P. O. Box 1328, Station C, Canton, Ohio 44708.
